Sir,

POST MORTEM SHED: Construction at Mulki- Mangalore Taluk
Sanction of funds- Requested-

****

It has been proposed to construct a permanent Post-mortem shed near the L.P.Hospital, Mulki in S.No 13/1(Part) of Bappanad village Mangalore Taluk in place of e the existing thatched one. The President Dt.Board South Kanara has applied for the alienation of this plot subject to the condition that the work of construction of the Post mortem shed and its maintenance is got done through the agency of the P.W.Department. The Executive Engineer P.W.D.South Kanara when consulted in the matter, informs me that this work has been sanctioned for Rs. 2720 in D.R. No. 31/51-52 and it has not been taken up for execution, as this item has not been included in the annexure to budget for 52-53. He further says that, as the work costs more than Rs.2500/ it is necessary to obtain Government sanction to take up the work during the current financial year. As a permanent Post-mortem shed at Mulki is absolutely necessary I consider that the work should be taken up during the current financial year. I therefore request the sanction of the Government to execute the work during the current financial year.

2/- Separate action is being taken to alienate the land for the purrose in favour of the Dt.Board S.K.

Yours faithfully

For Collector.

p13c From the Collector of South Kanara Ref. 23829/51-B3 d 30.3.53.

The Collector of South Kanara is informed that as the proposed post-mortem shed is to be annexe to the D/F Hospital, Mulki, the Dt Board, South Kanara, has to undertake the construction of the shed at its own cost. As it is the policy of Govt to give half-grants for such works the Dt Board, South Kanara, may submit an application for necessary half-grant in connection with the B.E. for 1954-55, and the matter will be considered by Govt subject to availability of funds.

Post-Mortem shed — South Kanara Dr-
Construction of a post-mortem shed near
the D.H. Hospital, Mulki.

The Collector, South Kanara
p1 cy reports that the Dyke, South Kanara has
applied for the alienation of the Land
Extn. 13/1 (Part) of Bajpanad village,
Mangalore taluk for the construction
of a permanent post-mortem shed
near the D.H. Hospital, Mulki, in
place of the existing thatched shed
Hrd. subject to the condition that the
post-mortem shed is constructed and
maintained by the P.W.D. The collector
recommends that the construction
of a permanent post-mortem shed
is a necessity and the proposal
may be sanctioned in the current
p3 cy year itself. The Dms. agrees with
him. (The collr. has reported that sanction is being taken to alienate the land for the purpose in favour of the D.H.)
plus
p1 cy It is stated that the cost
of the work comes to Rs 2,720/-.
The intention of the D.H.B. seems
to be that the Govt. should
construct the shed and maintain
also. The D.H. Hospital, Mulki
is maintained by the Dist Board
and the post mortem shed is an

annexe to the hospital and its maintenance will therefore be the responsibility of the Board.

3. The Govt are giving half the grant for the building works. The Board may therefore be asked to submit proposals for a half-grant for consideration in connection with the P.E. for 1954-55 if it is not in a position to carry out the work.
